

NIKOLAUS HANIG MEMORIAL SCHOLARSHIP
Administered by
Tulsa Association of Health Underwriters (TAHU)

Background

Harry Hanig's son, Nik, was killed in an automobile accident on May 9, 1997, while returning home from fishing at Grand Lake with his friends. He was 17 years old and attended Broken Arrow High School. Nik was an average student scholastically, but excelled in extracurricular activities - which included body building, wrestling, football, and fishing.

Nik's family and friends, including Bob Phillips and the Tulsa Association of Health Underwriters, established a \$1,000 scholarship award in memory of Nik.

Eligibility

This scholarship is intended for a student with average grades, but excels in extracurricular activities.

You must be a son or daughter (or step) of an Oklahoma resident member in good standing of the National Association of Health Underwriters (NAHU) and the Tulsa Association of Health Underwriters (TAHU).

The \$1,000 scholarship will be awarded to one individual in the spring to be used for the following school year (fall). The student must be registered and attend as a full-time undergraduate student at an accredited college/university; proof of this is required in order to receive the money in the fall. A student can receive this award only once.

Complete Application must be received by May 1.
